## Indemnity Form

I, \_\_\_\_\_ acknowledge that whilst my son (s) / daughter (s) is attending Sekkha Montessori the following terms and conditions are of vital importance.

We accept and understand that playground equipment forms part of the free play area outside and thus equipment may put children at risk of getting hurt. We do however accept that that these apparatuses are essential to a child's physical development and that such equipment is necessary.

We accept and understand that outside play and messy play is essential to a child's development. Children at Sekkha Montessori will - weather permitting - play with various substances like sand, mud, water, jelly, pasta, flour etc. This fosters progress in sensorial development.

We accept that the various areas in the Montessori environment (arranged according to specific age groups and age-appropriate activities) contain small articles, scissors, glue, as well as small amounts of diluted cleaning agents and hand sanitizers. We understand that all these activities will be supervised but can be harmful to children if misused by them. We hereby give consent for the child to be exposed to such an environment.

We hereby declare that Sekkha Montessori and its staff and owners are indemnified against any claim related to injury or death of the child and in relation to loss of any of the child's property. We confirm that we shall not be entitled to bring any such claim against Sekkha Montessori, its owners, or staff members.

## Consent to use photographs

If photographs are taken, this would be for the purpose of educating students, promoting the school, or references for parents.

Your permission is required for the school to publish photographs and/or samples of your child's work. If you give your permission, the school may publish photographs of your child and/or samples of work done by your child in a variety of ways. The publications could include, but are not limited to, school newsletters (online and in hard copy), Sekkha Montessori intranet website, school annual magazines and Facebook. If published, third parties would be able to view the photographs and work. If you sign this document, it means that you agree to the following:

1. The school can publish photographs of your child and samples of your child's work as many times as it requires in the ways mentioned above.
2. Your child's photograph may be reproduced either in colour or in black and white.
3. The school will not use your child's photograph or samples of your child's work for any purpose other than for the education of students, or for the general promotion of the school. Any photographs taken by the school will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, Sekkha Montessori and owners cannot guarantee that your child will not be able to be identified from the photograph or work. This consent, if signed, will remain effective until such time as you advise the school otherwise in writing.
